South African National Biodiversity Institute

**First announcement: 45th Annual Research Symposium on the
Management of Biological Invasions in southern Africa
Tuesday 3rd to Friday 6th July 2018
University of Venda, Thohoyandou, Limpopo, South Africa**

Why:

If you are interested in biological invasions and their management in the region, this symposium is for you. You will have the opportunity to interact with invasion experts, managers, and policy makers.

Where:

The University of Venda, Main Campus, Auditorium and Lecture Hall (E-Block), Thohoyandou.

Theme:

Invasions trans-boundary

- Invasions across protected areas and biospheres
- Invasions across national boundaries
- Invasion impacts across sectors
- Invasions across species boundaries

Timelines:

Save the date, abstract submission and registration details will be available soon.

For any questions please contact the organising committee on invasivespecies@sanbi.org.za
