

An aerial photograph of a vast savanna landscape. A river winds through the center, branching into a complex delta system in the foreground. The terrain is covered in dense green vegetation, with some areas appearing more open and grassy. The sky is bright blue with scattered white clouds. The overall scene is a wide, open natural environment.

Development of Cross-border Tourism Products

Benefit Sharing / Sustainable Livelihoods

- Focused on buffer area / GLTFCA
- Importance reiterated at Ministerial Bilateral held on 14 June 2013:
 - “Parties to look into interventions aimed at creating sustainable jobs, and improving livelihoods for local communities surrounding the GLTP”
 - “Implement a demonstrable and effective anti-environmental crime Awareness Programme”
- Key interventions:
 - Development of Livelihoods Diversification Strategy
 - Cross-border tourism products

Marketing, Communications & Information Sharing

- Currently in process of developing a stand-alone GLTP / GLTFCA website
- New GLTP domain www.greatlimpopo.org registered by JMB and funded by PPF
- Act as both the public face of the project as well as an information portal for the sharing of information within GLTFCA officials and key stakeholders
- Also include GLTFCA Mapping Portal
